Map Filed March 28, 1935

APPROVAL OF STATE ENGINEER

This permit to change the place of use and point of diversion of the waters of Pine Creek as heretofore granted under permit No. 5719 is issued subject to the terms and conditions imposed in said permit 5719 and with the understanding that no other rights on the source will be affected by the change proposed herein. A substantial headgate and weir must be installed at or near the new point of diversion to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water under this proposed change at any and all times.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use and not to exceed 1.6 c.f.s.

Actual construction work shall begin or on before May 1, 1936
Proof of commencement of work shall be filed before June 1, 1936

Work must be prosecuted with reasonable diligence and be completed on or before May 1, 1938

Proof of completion of work shall be filed before June 1, 1938

Application of water to beneficial use shall be made on or before May 1, 1940. Proof of the application of water to beneficial use must be filed with State Engineer on or before June 1, 1940.

WITNESS MY HAND AND SEAL this 30th day

of October, 1935.
